# Welcome

Hi and welcome to May, could the year please slow down now!

How quiet the Park seems at the moment after the busy months

we have had since Christmas.

The cooler weather is now upon us but what a fantastic time of the year to come up and visit the Park to enjoy the peace, the crisp mornings and the beautiful clear sunny days we are lucky to enjoy up here. Try your hand at a bit of fishing, visit either of our fantastic new cafe's in town, great food and coffee for all or simply sit back, relax and enjoy the quiet and magnificent views we have here overlooking the Gunbower Creek.

Please while you are here at the Park if we can assist you with anything please just ask and we will do our best to help, we aim for all our guests to have a fantastic break here with us at Cohuna Waterfront Holiday Park.

Take care and have a great Month!

## YOUR RESPONSIBILITY OF YOUR PETS WHILE IN THE PARK

As we are all aware our Park is Pet friendly which is great and we want to keep it that way BUT at the moment we have two issues which need to be addressed and actioned by every pet owner in the Park. Everyone must clean up after their own dog this is your responsibility and not the responsibility or job of anyone else to do. If your children are taking your dog for a walk around the Park they must still clean up after them or get a parent or guardian to do so for them immediately. We have had a few complaints about this not happening and it is not nice for people to have to clean up other dog owners DOG POO. It is also smelly and just not nice to have left lying around, so please ensure that this is always done so everyone can continue to enjoy bringing their furry friends with them on holidays. Secondly pets are NOT permitted at any time to enter the amenities or laundry for any reason at anytime under any circumstance.

Thanking you.
